

March Break @ MacGregor Point

Monday March 14 - Sunday March 20

All programs take place at the **Visitor Centre**, unless otherwise stated.
Children must be accompanied by an adult at all Park programs & events.

**Tuesday
March**

**15
2:00pm**

Family Hike: Birding for Beginners

Join Park Naturalists and learn about our year round birds and how they survive the winter months. Learn about ID techniques, unique birds behaviours and common calls

**Wednesday
March**

**16
9:00pm**

Evening Hike: Owl Prowl

Join us at the **Visitor Centre Parking Lot** for an evening hike to seek out some of MacGregor Point Provincial Park's creatures of the night

(No pets please)

**Friday
March**

**18
2:00pm**

Meet the Naturalist: Busy Birds - Build a Feeder!

Join us at the **Visitor Centre** to make your very own suet feeder. Learn about some of our 4-season birds during this step-by-step activity. All materials provided for this simple feeder design.

Made from materials you can find around your own home!

**Saturday
March**

**19
10:00am**

Family Hike: Birding for Beginners

Join Park Naturalists and learn about our year round birds and how they survive the winter months. Learn about ID techniques, unique birds behaviours and common calls.

Scavenger Hunts are available at the Park Administration Office

These events are brought to you by the MacGregor Point Natural Heritage Education staff with the generous support of the Friends of MacGregor Point Park. Support the Friends by visiting the Huron Fringe Gift Shop this May!
